

present

Criminal Thinking Errors in Youth **Techniques for Identifying & Changing Criminal Behavior**

Presented by **Nelson Kowalkczyk**

former prison inmate of 27 years who designed and implemented programs in prisons, juvenile facilities and community centers based on Dr. Stanton Samenow's research on the criminal mind and the criminal personality

Nelson's topics include:

- Holding youth accountable for their actions
- What to listen to when youth are talking... and, what *not* to listen to
- Defensive tactics that keep substance users from changing
- Man pleasing or fear of losing face
- Tactics that substance users utilize to avoid accountability
