Menu available at: surcarmel.com
(831) 250-7188 • 3601 The Barnyard, Ste. A21 Carmel, CA 93923

Last year through Kinship Center programs:

- 138 children were cared for in our therapeutic foster homes
- 145 children found their new Forever Family through the Kinship Center adoption program
- More than 500 children participated in therapeutic programs at one of Kinship Center's three mental health clinics
- 334 children found a safe home with relatives supported by the Family Ties program

These outcomes are made possible by community support.
